Support for Raised H.B. 6966 - An Act Concerning Municipal Newspaper Postings

Dear Senators and Representatives,

My name is Frank C. DeFelice, and I currently serve as a Planning & Zoning Commissioner and Inland Wetlands & Watercourses Commissioner in the Town of Durham, Connecticut; and as Chairman of the Lower Connecticut River Valley Council of Governments (RiverCOG) Regional Planning Committee.

It is my hope that you will support this bill because its passage would simultaneously reduce costs to municipalities and improve transparency for our citizens.

The state legislative posts its agendas, bills and minutes on-line. It makes sense for the state legislature to post this information on the internet, why would it make any less sense for municipalities to do so?

I urge your **support** this bill.

Respectfully,

Frank C. DeFelice
